Temporary Protected Status Designated Country: Haiti

i ALERT: After reviewing country conditions and consulting with the appropriate U.S. government agencies, Secretary of Homeland Security Kristi Noem determined that Haiti no longer met the conditions for its designation for Temporary Protected Status (TPS). See *Termination of the Designation of Haiti for Temporary Protected Status*, 90 Fed. Reg 54733 (Nov. 28, 2025). Haiti’s TPS designation and related benefits were slated to terminate on February 3, 2026. However, on February 2, 2026, a single judge in the U.S. District Court for the District of Columbia issued an order staying the Secretary’s TPS termination decision. *Miot et al. v. Trump et al.*, No. 25-cv-02471-ACR (D.D.C.). The judge did so even though the Department of Homeland Security recently prevailed twice in the U.S. Supreme Court in a similar case. The Department of Homeland Security vehemently disagrees with this order and is working with Department of Justice to determine next steps.
